Your Partner in Consigning Too Busy to Wait?

We know how busy you are, and we know you want to drop off your consignments whenever you're in the area. So, we have a wonderful system for established consignors. It's called

Drop-&-Run

Drop off your items anytime and be on your way! We'll write your receipt that day and have it ready for you to pick up the next day, you won't have to wait while we check in your items.

How to:

Using Drop & Run is simple. Just place your items in a "Drop & Run" tote fill out the "Drop & Run" card attached to the tote and we'll do the rest. If there are items that we are unable to sell for you, we can donate them. But if you want any "no-thank-you's" back, we'll be happy to hold them for 2 days, so you can return and pick them up. Call ahead, if you like, to see if there is anything to be returned to you. If you don't want no-thank-you's returned, or if there aren't any to be picked up, your receipt can be picked up whenever you like.

Thank you!!

Drop-&-Run lets us get your items on the selling floor within hours to make you money faster. It means you can drop off consignments whenever you want to, without prior planning. We look forward to seeing you the next time an urge to clean your closet strikes.
